

**Jan C.J. Jones Co-Executive Producer – Researcher/Writer**  
 Forest Rose Productions, LLC / Freelancer Ink

*Passion. . . Patience. . . Persistence. . . Perseverance* is Jones' personal credo for success. Jones has won numerous writing awards including the T.W. Wharton Screenwriting Award, PPW Paul Gillette Memorial Screenwriting Awards, Writers Foundation "America Best" Storybook Award, Quantum Quest Screenplay Competition, National Association of Telecommunications Officers & Agents Programming Award, Colorado Springs Professional Film & Video Awards, Cinestory Screenwriting Awards and two (2) Telly Awards in video editing.

As founder and executive producer of Forest Rose Productions, LLC, Jones has been involved in all aspects of film/Video production. In association with the Pikes Peak Writers/ Pikes Peak Writers Conference, she produced *The WRITE Series*. Jones is the creator-artist of *Whimsical Doodle's Whimsical Worlds* illustrations. With a well-honed understanding of story-structure, she has completed numerous original feature-length screenplays of various genre including romantic comedy, science fiction, fantasy action adventure, thriller, and historical biography (creative nonfiction). Her scripts have been under consideration by Paramount, Disney, Revelations, DreamWorks SKG, and Jim Henson Productions among others. Having optioned two scripts, her playwright ability was seen in the Kennedy Center Imagination Celebration's production, *The Rhythm-Maker & the Storyteller*, an original, multimedia theatrical documentary chronicling the history, "health," and future of tap dance in America. She co-produced, structured the overall storyline, coordinated the research, wrote & facilitated the interviews with the VIPs seen on-camera in Buena Vista Home Video's (collectible limited edition) *Disney's Treasures, Disneyland: Secrets, Stories, and Magic of the Happiest Place on Earth* working with Julie Andrews, George Lucas, Diane Disney, John Lasseter, Michael Eisner and Bob Iger and many others.

These are some of Jones' award-winning feature-length screenplay titles:

- *The Adventures of the Last Jelly Bean Dragon* (children's fantasy action adventure); story finalist, America's Best Children's Picture Book: [www.jbdragon.com](http://www.jbdragon.com) (including animated promotional video short)
